

**10,000 LAKES CHAPTER OF ICC**  
In conjunction with  
**ASSOCIATION OF MINNESOTA BUILDING OFFICIALS**  
**DECEMBER 2009 SEMINAR**

**2006 IBC Performing Structural Plan Reviews (1-day Version)**  
**2006 IBC Inspecting for Structural Details**

**Who Should Attend**

Architects, engineers, building officials, building inspectors, plans examiners, special inspectors and building designers seeking an understanding of the 2006 International Building Code.

**What Will Be Covered** (two identical two-day seminars)

**Description:** The first day provides a system for review construction documents based on the IBC. Participants will have the opportunity to practice a structural plan review using actual construction documents and plan review record. The second day will consist of an overview of the tasks that must be completed in order to properly inspect the structural details of a building; covering masonry, concrete, steel, and wood components, including important details within each structural system. Also, a brief overview of special inspections is provided, including key personnel and their roles.

**Instructor**

The presentations will be presented by Robert Schutz, a staff instructor for the ICC. Bob Schutz is a seasoned instructor. He is a registered Professional Engineer and a certified Chief Building Official. He holds Ohio Certifications as a Building Official, Plans Examiner, and Inspector for Building, Plumbing, Electrical Safety and Residential. He has worked 10 years as the Chief Building Official while also serving as the City Engineer and the Director of Public Services.
