

10,000 LAKES CHAPTER OF ICC
In conjunction with
ASSOCIATION OF MINNESOTA BUILDING OFFICIALS
MARCH 2009 SEMINAR

2006 IBC Performing Nonstructural Plan Reviews

Who Should Attend

Fire marshals, fire inspectors, architects, engineers, building officials, building inspectors, plans examiners and building designers seeking an understanding of the 2006 International Building Code.

What Will Be Covered (two identical two-day seminars)

Description: Provides essential plan review knowledge and concepts utilizing a systematic and procedural approach.

Objectives: Upon completion, participants will be better able to:

- Review plans for code compliant building planning
- Review plans for fire resistance-rated construction
- Review plans for fire protection systems
- Review plans for means of egress

Instructor

2006 IBC Performing Nonstructural Plan Reviews will be presented by Terrell Stripling a staff instructor for the ICC. Terrell Stripling is a seasoned instructor with 20 years of fire service experience and has also worked in the construction industry. He holds a B.S. degree from Oklahoma State University in Fire Protection and Safety Engineering Technology. His experience in fire prevention, code management, and the ability to effectively communicate a pro-active philosophy, is reflected in Terrell's passion for education. At the college level, he has served in the positions of Department Chair and adjunct professor in the Fire Science Department.
